

# THE ALL NEW BUCKETLESS HANDLE!

## LBH18

**It outperforms the competition at every level with the innovative features you have come to expect from Impact!**

Tired of carrying around a mop bucket or wringing out soggy mop pads? The LBH18 eliminates the need for all this. It works in any application from house cleaning and maintaining gymnasiums to cleaning hospitals. The LBH18 is ideal for cleaning areas where conventional buckets and wringers are impractical.

Interchangeable components such as the easily assembled frames, mop heads and removable bottles allows the user to stock multiple options on the maid's cart. From damp mopping to dusting, neutral cleaner to disinfectant, and hook-and-loop attaching heads to pockets, every option for every job is at your finger tips!

### Features

- Complete system includes 16" hook-and-loop frame, 32 oz. dispensing bottle, and 54" handle.
- Hook-and-loop frame is molded and not attached with glue or rivets. No worries about the strips falling off.
- Removable dispensing bottle features a wide opening for easy filling and cleanout.
- Translucent, graduated dispensing bottle identifies fill level in both ounces and milliliters.
- Durable, ultra-light construction reduces user fatigue.
- Ergonomic, end-of-handle thermoplastic rubber ball swivels for smooth operation.

### Benefits

- Eliminates waste water completely.
- Saves \$\$ on chemicals by using only what you need.
- Reduces water usage.
- Ergonomic design eliminates potential injury from filling and emptying mop buckets.
- Saves labor involved in filling buckets and wringing out mops.
- Shorter drying times reduce risk of slip and fall injuries.

**The LBH18 Bucketless Handle is a great labor-saving solution for floor care pros!**
