

The CK 14/1 Pro

14 inch Commercial Upright Vacuum with HEPA filtration.

Price, Performance and Proven Durability.

Superior Performance and Durability

The all new CK 14/1 Pro adds price, performance, and proven durability to Tornado's already impressive lineup of industry leading commercial upright carpet vacuums. Combining affordability, superior airflow, the benefits of an enclosed bag system, on-board tools, and true HEPA filtration for healthier indoor air quality, the CK 14/1 Pro is a great combination of value and performance. LEED qualifying at less than 70dBa, and the Carpet and Rug Institute (CRI) Seal of Approval, Silver Level, the CK 14/1 Pro features a 14 inch cleaning path. Constructed with extremely durable polypropylene and metal construction materials, the unit tackles tough cleaning tasks, with tested and certified performance.

Versatility

With on-board tools, the CK 14/1 Pro's powerful suction is ready at your fingertips for above-floor cleaning. The CK 14/1 Pro is flexible, reliable, and perfect for use in a variety of indoor environments including hospitals, healthcare facilities, schools and universities, hotels, resorts, restaurants, commercial office buildings, retail stores and shopping malls, and more.

Three-Stage HEPA Filtration for Improved IAQ

The three-stage filtration system includes a unique CleanBreeze disposable filter bag, an intake filter, and a true HEPA filter cartridge as standard. The CleanBreeze filter is an intricate web of randomly spun polymer fibers capturing far more particles and allergens than conventional paper bags. Dust emissions are reduced by as much as 60% over traditional paper filters.

Reducing and minimizing dust particles and contaminants are critical to ensuring healthy buildings. While vacuuming is an extremely effective tool in removing potential allergens, use of the wrong machine can actually reintroduce contaminants back into the air. Equipped with HEPA filtration, the CK 14/1 Pro is designed to contain fine particulate and dust with 99.7% efficiency at 0.3 microns, improving indoor air quality (IAQ) and reducing risks associated with the redistribution of potentially harmful particles and allergens.

The CK 14/1 Pro. 14 inch Commercial Upright Vacuum with HEPA filtration

Key Features

- Ergonomic handle allows for multiple hand positioning
- Standard onboard tools that make detail cleaning a breeze
- True three-stage HEPA filtration
- CRI SOA Silver approval, meeting LEED standards
- Sound level that is less than 70 dB(A)
- No-tool brush and belt replacement
- Telescopic wand that has up to 30% longer reach than the competition
- Standard Clean Breeze filter bag reduces dust emissions over 60% over paper bags

Affordably Priced to Reduce Vacuum Operating Costs!

Perfect for LEED buildings, qualifying with CRI SOA Silver Performance and noise levels less than 70 dBA

Installing the Filter is a Breeze

The CK 14/1 Pro comes standard with a true HEPA Filter cartridge for added indoor air quality protection. The easy access location of the HEPA cartridge makes changing it a breeze, but we didn't stop there. Any operator will tell you that installing the collection filter bag without tearing them on most vacuums is a difficult task. Designed by professionals for professionals, the Tornado CK 14/1 Pro features a simple slide-in design, making torn filters a thing of the past.

New Ergonomic Handle for Supreme Comfort

With an all-new design for unmatched comfort, the CK 14/1 Pro delivers high-end performance, productivity and comfort at a modest price, reducing your operating costs.

PRODUCT SPECIFICATIONS

MODEL	CK 14/1 Pro
CATALOG NUMBER	98147
CLEANING PATH	14 in / 350 mm
PRODUCTIVITY PER HOUR	2,857 sq. ft. / 265 sq. m
AIRFLOW	120 cfm / 3.4 m3/h
CAPACITY	3.8 qt / 3.6 L
SOUND LEVEL	69.9 dB(A)
FILTRATION SYSTEM	99.97% at 0.3 micron
VAC MOTOR	1200 W / 10 A
POWER CORD LENGTH	50 ft / 15 m
POWER	120 V / 60 Hz
WEIGHT	20.6 lbs / 9.36 kg
DIMENSIONS (L X W X H) (IN. / MM)	12.5 in x 14.75 in. x 44 in 320 mm x 370 mm x 1120 mm

REPLACEMENT ITEMS

HEPA FILTER	90144
BRUSH BELT	33561
CREVICE TOOL	90142
DUSTING BRUSH	90143
ROLLER BAR	36001
TELESCOPIC WAND	36000
VACUUM MOTOR INTAKE FILTER	90145
CLEAN BREEZE BAG (SET OF 10)	90141

OPTIONAL ITEMS

PAPER COLLECTION BAGS	90147
FOAM FILTER IN LIEU OF HEPA FILTER	90146

Productivity Soars With On-Board Tools

Increase cleaning productivity and coverage with onboard crevice and upholstery tools. Plus, with the help of the wand you'll increase cleaning reach up to 30%!
