Rubbermaid HYGEN™

CLEAN WATER SYSTEM

Cleaning is Believing.

Cleans The Water So You Can Clean The Floors.

Introducing the Rubbermaid HYGEN™ Clean Water System with the industry's first-ever water filter that improves productivity, reduces water & chemical usage, and creates healthier, safer environments.

PROVEN PERFORMANCE
To ensure healthy, safe environments

COMPLETE SYSTEM
To maximize productivity

TRAINING & SUPPORT
To deliver optimal results

ADJUSTABLE MOISTURE LEVEL
Allows users to select desired mop dampness for better cleaning results.

ROLLER WRINGER
Twin roller design provides optimized wringing efficiency, requiring 50% less force to wring than a traditional side press wringer.⁴

BUILT-IN SCRUBBERS
Remove at least 25% more dirt from the mop.³

BUILT-IN FILTER
Cleans the water with a simple tilt of the bucket, letting you mop with clean water⁵ all day long.

FLOOR DRAIN
Empties bucket without lifting, reducing body strain.

The industry's best microfiber mop

- Removes up to 99.9% of microorganisms.¹
- Covers up to 500 sq. ft. with one wring.²
- Withstands up to 1,000 launderings.³
- Provides streak free coverage.

¹ Always use cleaning chemicals or disinfectants as directed by your facility manager.
² Based on third party time and motion study by the American Institute for Cleaning Sciences.
³ Based on internal testing.
⁴ Based on internal testing vs. RCP side press wringer.
⁵ As measured by turbidity of less than 20 NTU.

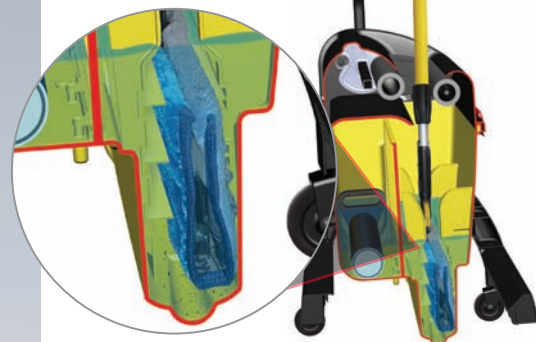

Finally a system engineered for the demands of office buildings, restaurants, schools, and hospitality.

HOW IT WORKS:

The Rubbermaid HYGEN™ Clean Water System

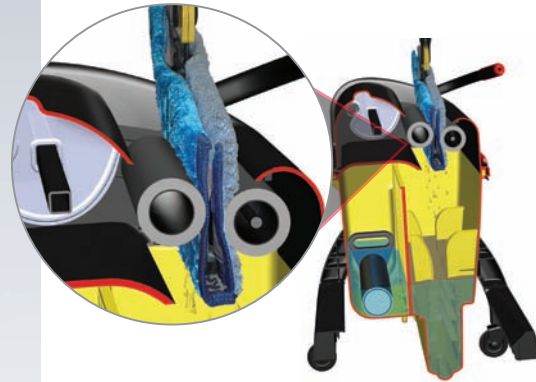

will transform the way you clean your floor. One bucket provides clean water all day, eliminating unproductive trips to the janitor closet. Benefit from a faster, smarter, cost-effective solution with these easy steps.

A Complete System.

■ RINSING AND SCRUBBING

Insert the mop into the bucket. Move the mop up and down as the built-in scrubbers remove soil from the mop.

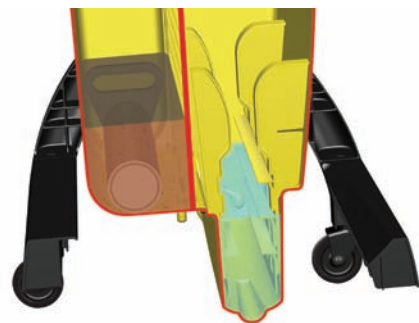

■ WRINGING

Adjust the knob to select your desired level of moisture. Lift the mop so the yellow dot is aligned with the top of the roller. Standing in front of the bucket, press the handle down to wring the mop.

■ TRANSFERRING

When the mop water gets dirty, rather than having to dump the water and refill the bucket, tilt the bucket 90 degrees by pressing the handle. This allows the dirty water to transfer to the filter chamber.

■ FILTERING

Once the water is completely transferred to the filter chamber, rotate the bucket back to its original position. In just a few minutes, clean, filtered water will be available in the mop chamber, ready for more mopping.

The matched system of filter bucket, double sided frame, microfiber flat mops, and handle are compatible with all Rubbermaid janitor carts.

RUBBERMAID HYGEN™ CLEAN WATER SYSTEM MOP

PADS & ACCESSORIES

DURABLE UP TO
1000
laundryings⁵

PROVEN TO REMOVE
99.9%
of microorganisms⁶

Finally microfiber comes full circle with pads engineered for all facilities and floor types.

Double-Sided Microfiber Mops combine the best features of microfiber mops and string mops.

- Superior durability offers best cost-in-use.
- Clean floors 45% better than string mops.⁷
- Best-in Class microfiber design provides consistent, streak-free coverage.
- Double-sided design covers up to 500 square feet with one wring.⁸
- Clean floors up to 20% faster than traditional string mops.⁸
- Color-coded ribbons help the user manage cross-contamination.

	Microbe Removal	Absorbency	Grease/Oil Removal	General Soil Removal	Durability	Floor Type	Recom'd User Environment
General Purpose Microfiber Mop 1791678						Smooth surfaces such as VCT, Linoleum and Marble	Office Buildings, Schools and Hotels
Rough Surface Microfiber Mop 1791794						Textured surfaces such as Ceramic Tile, Natural Stone and Terrazzo	Restaurants, Schools
Rough Surface Scrub Microfiber Mop 1791796						Textured surfaces such as Ceramic Tile, Natural Stone and Terrazzo	Restaurants, Schools

Microfiber High Absorbency Mop Plus 1791795	 99.9%					Smooth surfaces such as VCT, Linoleum and Marble	Healthcare, Schools

⁵Based on internal testing.

⁷Based on internal testing vs. RCP #24 web foot shrinkless string mop.

⁸Based on third party time and motion study by the American Institute for Cleaning Sciences.

*Always use cleaning chemicals or disinfectants as directed by your facility manager.

The Double-Sided Mop Advantage.

Double-Sided Folding Frame:

- Stainless steel construction for maximum durability.
- Easy to attach and detach mops.
- Quickly connects to Rubbermaid HYGEN Q755 extension handle.

NEW Rubbermaid PULSE™ Microfiber Floor Cleaning System with Double-Sided Frame*

Clean twice the area with the most productive floor cleaning system. This convenient tool makes dusting and wet mopping faster than ever before.

TRIGGER HANDLE

Ergonomic trigger handle dispenses three streams of cleaning solution.

DURABLE CONSTRUCTION

Stainless steel construction for enhanced durability.

HIGH CAPACITY RESERVOIR

On-Board refillable reservoir holds enough solution to clean up to 850 sq. ft. Monitor fluid levels via handy reservoir windows.

DOUBLE-SIDED FRAME

Two jobs, one tool. Dust mop with the green side, flip to the blue side for damp mopping.

1791677 with 1791679 Dust & Wet Microfiber Mop Plus for Pulse™ (Mop not included)

* Includes Trigger Handle with Fluid Reservoir and one Clean Water System Double-Sided Folding Frame (mop not included).

Dust mopping prior to damp mopping in a medical lab.

RUBBERMAID HYGEN™ CLEAN WATER SYSTEM

TRAINING & SUPPORT

Equip Your Staff for Optimal Results

The Rubbermaid HYGEN™ Clean Water System includes ongoing dedicated training and support programs to help you successfully implement the program. To learn more about our training and support resources, call **1-800-347-9800** or visit www.rubbermaidcommercial.com.

- **WEBSITE**
Learn how Rubbermaid HYGEN™ is helping to ensure maximum results.
- **ONLINE ROI CALCULATOR**
Calculate your potential savings.

- **TRAINING DVD**
Provides step-by-step instructions on how to use the system.
- **INSTRUCTIONAL POSTER AND PRODUCT USE INSTRUCTIONS**
Simple, clear instructions are always close at hand.
