

# Square Strip

## Orbital Floor Machine

### ● Scrub to the *Edge* Technology

The Square Strip oscillating/orbital floor machine is ideal for “Chemical Free” scrubbing/ stripping on most floor finishes.

Square corners allow it to work into corners that are missed by traditional “round” pads.

- Chemical-Free Floor Scrubbing
- No Floor Stripper Run-Off
- It's Fast
- It's Dry
- It's Easy to Use
- Reduce Slip & Fall Accidents
- High Performance 1.5 hp Motor
- Low Amp Draw

The Square Strip floor surface preparation machine gives operators the ability to remove multiple layers of finish, **without** the use of chemicals or water.
