512

712

High Productivity

Up to 48,000 sq. ft./hour and 4 hour run time

Huge hopper capacity

Extensive filtering surface

High Performance

Main brush pressure adjustment

Dust flap for large debris collection

Ergonomics, User Friendly

Easy to use control panel

Great working visibility

Designed to assure minimum noise levels

Battery level indicator

On board charger

Low Maintenance Costs

Dust filter replacement without tools

Easy access to motor compartment

Robust construction

Heavy duty chassis in fully coated steel

Maximum protection against impact

Panel control switches protected against water and humidity

Sweepers 512/712

Maximum comfort and extreme ease of use

Adjustable seat as standard

Easy access to internal components

Simple to tilt entire top body

POWER GENERATOR (PG)

- Available with both electric or manual engine start Honda 4 HP
- 40 Ah generator
- Easy to mount on basic machine
- 46 lbs / 21 Kg

Brush pressure monitor

- Main brush pressure is easily adjusted from walking position
- The led indicator on dashboard allows constant view of brush pressure
