

The BR 28/27 and BD 26/27 Ride-On Automatic Scrubbers

World Class Scrubbers
Delivering Increased
Productivity, Durability,
Health and Safety

The New Standard of Scrubbing

Maintain and renew hard floor surfaces faster than ever before. Tornado's BR 28/27 and BD 26/27 Ride-on Automatic Scrubber increase cleaning productivity in areas where walk-behind scrubbers were used in the past, thanks to its compact footprint and great maneuverability. The BR 28/27 and BD 26/27 are the perfect unit for supermarkets, schools, health care, warehouses, and more. Operating at an incredibly low 69 dB the unit is also perfect for daytime cleaning needs.

Tough, Long-lasting Scrubbers

For effortless operation, Tornado's ride-on BR 28/27 and BD 26/27 offer an automatic mode which starts all of the necessary operations of the scrubber once turned on. This system constantly controls the operation parameters to guarantee longer runtime and reliability. When an operator places the unit in reverse, as an example, the unit intuitively retracts the squeegee. The BR 28/27 and BD 26/27 are the newest unit in Tornado's family of scrubbers, which are recognized throughout the industry as market leaders and world-class products!

Healthier Buildings

The BR 28/27 and BD 26/27 Ride-ons improve the health of your facility by offering a choice of traditional wet or eco-friendly, maintenance-free AGM batteries. With Tornado's eco-friendly AGM batteries, you can say good-bye to dangerous battery maintenance. This also results in increased worker productivity and cleaning speed. Clean quietly with the BR 28/27 and BD 26/27's OSHA-recognized, whisper-quiet 69 decibel level. Less noise results in reduced distractions and ensures improved working conditions for your staff.

Applications

The Tornado® BR 28/27 and BD 26/27 Ride-on Automatic Scrubbers are perfect for use in many different environments including:

- Hospitals
- Schools
- Retail Facilities
- Malls
- Banquet Halls
- Government
- Commercial Office Buildings, and more.

The BR 28/27 and BD 26/27 Ride-On Automatic Scrubbers

World Class Scrubbers Delivering Increased Productivity, Durability, Health and Safety.

Compact Low-Profile

These highly maneuverable units reach difficult areas previously cleaned by larger ride-on scrubbers.

Parabolic Squeegee

Heavy duty assembly featuring a four-sided rear blade with quick release lever to facilitate squeegee changes in 10 seconds or less! This ensures a lower cost of ownership.

Silent Supervisor

Easy-to-read control panel displays battery run time and charge indicator, maximizing your team's cleaning efficiency and protecting your investment.

Easy Access to Tanks and Batteries

For easy maintenance, gain access to batteries by simply lifting the seat.

Disc Pads and Brushes

The BD unit comes standard with pad holders. When used with the appropriate pad, this is the ideal solution for daily maintenance cleaning. The BD machine can be fitted with a variety of optional scrub brushes, a time-proven solution for smooth floors.

Cylindrical Brushes

The BR unit comes standard with brushes for daily cleaning operations. A variety of brushes are available for high performance on structured flooring.

Note: Brushes shown above are examples. Actual brushes colors may vary.
