Proof of chemical purchase is required. This warranty effects units purchased after 01/01/2016, and is subject to the following restrictions:

- This warranty does not include accessories or wear items. *
- Normal trouble shooting with a Kaivac technician must be completed prior to any equipment replacement.
- This warranty does not assume responsibility for damage or faulty performance caused by misuse or abuse, or where repairs or modifications have been made or attempted. Kaivac will make the final determination on whether the damage falls under this limited lifetime warranty for manufacturer's defects.
- Where applicable, the standard OmniFlex Battery Limited and Prorated Warranty Plan applies.

Under no circumstances will Kaivac be liable for any loss, damage, expenses or consequential damages arising in connection with the use or inability to use Kaivac's product.
